

WASHINGTON GAS LIGHT COMPANY

Developmental Natural Gas Vehicle Service

Rate Schedule No. 4

AVAILABILITY

Service hereunder is available to a limited number of applicants in the District of Columbia of the Company's service area for the sale of compressed gas and for the sale or delivery of gas to be used as Compressed Natural Gas (CNG) to fuel a vehicle or vehicles, to any customer who shall, by contract in writing, agree to the terms set forth below for service at refueling facilities operated at either Company or customer locations.

COMPRESSED NATURAL GAS VEHICLE SERVICE  
AT COMPANY OPERATED REFUELING LOCATIONS

This part of the service is available for refueling vehicles with compressed natural gas when the capacity of the Company's compression facilities and the available gas supply are sufficient to provide the quantities requested by the customer; and the customer executes a Natural Gas Vehicle Service Agreement.

Rate For Monthly Consumption

Commodity Charges

For service during first eighteen months 86.42¢ per GGE\*

For service after eighteen months:

0 to 500 gallons per month	\$1.04	per GGE*
501 to 3,000 gallons per month	98.34¢	per GGE*
Greater than 3,000 gallons per month	90.39¢	per GGE*

GGE indicates Gasoline Gallon Equivalent. The gasoline gallon equivalent shall be determined by accordance with local standards. In the absence of such standards the gasoline gallon equivalent shall be 5.34 lbs., plus or minus 2%, as measured by the mass motion or sonic nozzle CNG dispensing equipment. The point of sale price to the consumer shall be displayed in gasoline gallon equivalents with the pounds of natural gas displayed on the dispenser where possible.

The above basic Commodity Charges are subject to the Gasoline Adjustment Charge.

The above basic charges are also subject to a Tax Adjustment Surcharge for any change in taxes included in the above Commodity Charges. Commodity charges include District of Columbia Motor

Developmental Natural Gas Vehicle Service

Rate Schedule No. 4

(continued)

Vehicle Fuel Tax of 20¢ per gallon and Federal Excise Tax of 5.9¢ per gallon. The Company is under no obligation to determine if a customer is exempt from taxation. Customers seeking tax exemption must file such verification with the Company.

Gasoline Adjustment Charge

The above Commodity Charges shall be adjusted each month based on the change, if any, in the average Rack price of unleaded regular gasoline or its equivalent as last published during the prior calendar month by the Oil Price Information System for Fairfax Terminal from a "Base Gasoline Price" of \$.67 per gallon. Any such change shall be rounded to the nearest \$.01 per GGE and applied to the usage for the current billing month.

In no event shall this section operate to reduce the Commodity Charges to a level below the Company's Purchased Gas Charge (PGC) pursuant to General Service Provision No. 16 for the applicable month and all applicable taxes.

Tax Adjustment Surcharge

The above Commodity Charges shall be adjusted concurrently with any change in the District of Columbia Motor Vehicle Fuel Tax from a base of 20¢ per gallon, the Federal Excise Tax from a base of 5.9¢ per gallon or the effect of any new tax applicable to the sale under this service.

NATURAL GAS VEHICLE SERVICE  
AT CUSTOMER OPERATED REFUELING LOCATIONS

This part of the service is available for the sale of separately metered uncompressed gas for the use of the customer solely as a vehicle fuel as follows:

- (a) The capacity of the Company's facilities and the available gas supply are sufficient to provide the quantities requested by the customer;
- (b) The customer agrees to obtain and maintain, at its expense, all necessary certificates, licenses and regulatory approvals and pay all taxes levied on the gas compressed for refueling the customer's vehicles;
- (c) As applicable the customer provides at no cost to the Company necessary locations and access on customer's premises for the installation of Company compression facilities;
- (d) If the customer provides natural gas for resale as a motor fuel, the customer will be responsible for paying or collecting all applicable taxes on the Gas Compressed for Resale and for the metering of such sale in accordance with local standards and regulations; and

Developmental Natural Gas Vehicle Service

Rate Schedule No. 4

(continued)

- (e) The customer executes a Natural Gas Vehicle Service Agreement for not less than 12 months or not less than 18 months if the Company provides facilities.

Rate For Monthly Consumption

<u>Monthly Customer Charge</u>	\$ 49.67
<u>Distribution Charge</u>	7.45 ¢ per therm
<u>Purchased Gas Charge</u>	

Gas consumed under the above service shall be charged an amount per therm representing the average unit cost of purchased gas in accordance with Section 16 of the General Service Provisions including adjustments for applicable taxes.

Sales taxes are not included in the above basic charges and shall be collected as a separately stated charge on the monthly for service. The Company is under no obligation to determine if a customer is exempt from taxation. Customers seeking tax exemption must file such verification with the Company.

Monthly Facilities Charge

Customer provided facilities	None
Company provided facilities:	
For demonstration installations selected at the sole discretion of the Company and only for the first eighteen months of service	None
For all other installations selected at the sole discretion of the Company and demonstration installations after eighteen months	.3% per month of original cost of investment provided by Company

DELIVERY SERVICE FOR NATURAL GAS VEHICLES

This part of service is available for delivery of customer owned natural gas for use in customer compression facilities, without minimum volume requirements, as follows:

- (a) The capacity of the Company's facilities and the available gas supply are sufficient to provide the quantities requested by the customer.
- (b) The customer has purchased, or has agreed to purchase, under a contract with an initial term of not less than one year an adequate supply of natural gas of a quality acceptable to the Company, and has made, or has caused to be made, arrangements by which such volumes of natural gas can be delivered, either directly or by displacement, into the Company's distribution system at the customer's expense.
- (c) The customer warrants that it has good and legal title to all gas supplied to the Company, and agrees to indemnify and hold the Company harmless from any loss, claims or damages in regard to such title.
- (d) The customer is responsible for making any filings or reports, as required, pertaining to the acquisition and use of gas and the transportation of the gas from the customer's source to the Company's interconnection with the delivering pipeline suppliers.
- (e) The customer's gas supply source or pipeline transporter agrees to provide on a timely basis no later than the tenth calendar day of each month, daily delivery data for such gas delivered to the Company during the preceding calendar month.
- (f) Delivery revenues hereunder shall be excluded in computations under the DCA section of the PGC provision.
- (g) The customer executes a Natural Gas Vehicle Delivery Service Agreement for not less than one year.

Rate For Delivery Service

<u>Monthly Customer Charge</u>	\$49.67
<u>Distribution Charge</u>	7.45¢ per therm

Sales taxes are not included in the above basic charges and shall be collected as a separately stated charge on the monthly bill for service. The Company is under no obligation to determine if a customer is exempt from taxation. Customers seeking tax exemption must file such verification with the Company.

Developmental Natural Gas Vehicle Service – Rate Schedule No. 4

(continued)

Special Terms and Conditions

- (1) Monthly meter readings shall be made on or about the last day of each calendar month.
- (2) The Overrun Penalty, Customer Using More Gas Than Provided By Customer, Customer Providing More Gas Than Customer's Usage, and Lost and Unaccounted-for Gas Special Terms and Conditions of the Company's Rate Schedule No. 3 shall apply as their content is appropriate and as the specified provisions may be modified or replaced from time to time and approved by the Public Service Commission. Such terms and conditions may be negotiated between the Company and the customer and specified in the Natural Gas Vehicle Service Agreement.

OTHER TERMS AND CONDITIONS

Late Payment Charge

All bills are due and payable when rendered and the charges stated apply when the bills are paid within twenty days after date of rendition. If bills are not paid within twenty days after rendition, a late payment charge will be added equal to one percent of the unpaid bill and at the end of each nominal thirty day billing interval thereafter, an additional charge will be made equal to one and one-half percent of any total amount which remains unpaid at that time.

Other

Sales of gas hereunder are not subject to the Distribution Charge Adjustment provision (DCA) of the PGC.

SURCHARGE FOR DISTRICT OF COLUMBIA RIGHTS OF WAY FEE

A per therm surcharge for all therms used shall be billed in addition to any other billings under this rate schedule. This surcharge will provide for the recovery of the District of Columbia Rights of Way Tax and be computed as set forth in General Service Provision No. 22, SURCHARGE FOR DISTRICT OF COLUMBIA RIGHTS OF WAY FEE.

DISTRICT OF COLUMBIA NATURAL GAS TRUST FUND CHARGE

A per therm charge for all therms used on and after May 1, 2005 shall be billed in addition to any other billings under this rate schedule. All customers other than those participating under the Residential Essential Service Rider in Rate Schedule Nos. 1 and 1A shall contribute to the Natural Gas Trust Fund through this charge. The charge will be established by the Commission in accordance with the applicable sections of the District of Columbia Official Code. This charge will provide funding for programs that will be established by the Commission and administered by the District of Columbia Energy Office.

GENERAL SERVICE PROVISIONS

Except as otherwise specifically provided herein, the application of this schedule is subject to the General Service Provisions of the Company as they may be in effect from time to time, and as filed with the Public Service Commission.

ISSUED: April 25, 2005

Effective for service rendered on and after May 1, 2005
