

GENERAL SERVICE PROVISIONS (Continued)

15. RELOCATION OR ALTERATION OF COMPANY-OWNED FACILITIES

- a. Any relocation or alteration of Company-owned facilities to furnish gas service made solely for the convenience and benefit of the Company shall be paid for by the Company.
- b. No relocation or alteration of Company-owned facilities may be made without prior approval of the Company and where relocation or alteration of such facilities is requested of the Company or is necessitated by action of the owner, occupant, or customer, or any predecessor thereof, the cost of such relocation or alteration shall be at the expense of the Customer. The Company may, in its discretion, bear such portion of the costs of such changes in facilities which it considers justified under the circumstances.
- c. In all cases where it is necessary to extend or install house-piping to a new meter location as a result of relocation or alteration of Company-owned facilities pursuant to (b) above, such extension or installation will be the responsibility of, and at the expense of, the Customer.

16. PURCHASED GAS CHARGE

I. PROVISION FOR CHARGE

- A. The Rate for Monthly Consumption for firm sales of gas set forth in rate schedules Nos. 1, 2, and 3 of the Company shall include an amount per therm hereinafter described which is called the Purchased Gas Charge (PGC).
- B. The cost of purchased gas as used in determination of the PGC shall include, but not be limited to, costs of the following sources of gas including related transportation, storage and handling costs required for delivery to the Company:
  1. Natural and substitute natural gas (SNG) and vaporized liquefied natural gas (VLNG);
  2. Liquefied natural gas (LNG);
  3. Liquefied petroleum gas (LPG); and
  4. Other hydrocarbons used as feedstock for production of substitute natural gas (SNG) and spot or emergency purchases.
